

Tehama County 4-H Youth Development Program

EMERALD STAR

Submit your completed application to the 4-H office, 1754 Walnut Street, Red Bluff, CA 96080. Attend the next County 4-H Council meeting to make a presentation about your proposed Emerald Star project.

The Emerald Star is a county rank to recognize individual goal setting and accomplishment beyond the club level. It is not part of the state star rank system (Bronze, Silver, Gold, Platinum and All Star).

WHY? To keep older members involved in a meaningful way in planning, implementing and evaluating a special activity based upon local needs.

WHO? **All 4-Her's who have completed a minimum of 1 year in a Junior/Teen Leadership Project AND be in 8th grade and older.**

There is no limit on the number of members who can earn this rank or number of times an individual may apply.

WHAT? The program should be something that is needed and will be used on a countywide basis. Some examples are:

- Organize a “new” project show, field day, training day or contest.
- Improve or make a county slide show to promote 4-H or on an educational subject
- Establish a community service project, petting zoo, adopt a group home, tree planting, recycling, etc.
- Promote the buddy system with new 4-Hers and encourage new 4-H families to participate in countywide events.
- Increase visibility of 4-H i.e. 4-H community display, newspaper articles, radio show, and community event/ parade participation.

Please remember these are only some ideas. County events already being done are not considered eligible as a part of the Emerald Star Rank. Your plan can be something that no one has done recently or fills some kind of need in the county 4-H program or community. It can also be an expansion of what someone has already done.

The important factors to consider in deciding what to do for an Emerald Star Rank are these:

1. Is it something useful and needed?
2. Does it provide a chance for you to demonstrate leadership beyond your own club?

3. Is it a scope you can handle – cost, area, time, skills you have or can acquire, people involved?
4. Has a time schedule been prepared that is realistic?
5. Teams of two (2) or more are acceptable BUT each team member must submit their own plan. What do you plan to do as an individual member of the team?

HOW?

1. **Fill out the application form**, which states the goals, methods, resources, time schedule and evaluation of the proposed project.
2. **Select a “certified” 4-H adult leader to be your coach.** This person’s role is to assist you with your project.
3. **Receive approval of your 4-H Club Coordinating Leader.**
4. **Submit your completed application to the 4-H office, 1754 Walnut Street, Red Bluff, CA 96080.**
5. **Attend the next County 4-H Council meeting to make a presentation about your proposed Emerald Star project.**
6. The applicant will be asked questions about their presented plan and approval will be given.
7. During the next six months, the applicant will do his/her project as planned. Any revisions or changes shall be reported to the Council.
8. After completion, the applicant submits an Evaluation Report and makes a presentation at a monthly Council meeting.
9. Upon final approval, the Emerald Star is awarded.
